

**Recreational Skiing / Snowboarding & Ski Team
Mohawk Mountain
2018-2019**

The recreational Skiing/Snowboarding Program and competitive Ski Team travel to nearby Mohawk Mountain in Cornwall, Connecticut six days a week throughout the Winter Term. Each year, the Business Office works with Mohawk Mountain to put together special pricing for our students. In order to secure the discount price, forms and payment must be received by November 10, 2018. The cost increases significantly after that date and space in the program cannot be guaranteed. Equipment (skies, boots, and poles or snowboard and boots) can be rented for the season from Mohawk Mountain for an additional fee.

Fees:

Season Pass and Transportation Package:

On or before November 10, 2018: \$ 360.00

After November 10, 2018: \$ 430.00

Rentals:

Ski package	\$ 199.00
Snowboard package	\$ 209.00

PLEASE NOTE: Fees cannot be billed home. Full payment must be received by the School by credit card, wire transfer, or check (payable to 'The Marvelwood School' with 'SKI' on memo line).
