FOR A HEALTHY SCHOOL YEAR

It's a new school year and our kitchen is buzzing with excitement about the great, fresh foods we have to offer this season! Prepared by chefs, enjoyed by students - check out our video at sagedining.com/about/videos.html to learn more!

start with online menus and ingredients

To see your school's menu and ingredients of each offering, go to: sagedining.com/menus/marvelwood

mix in nutrition standards

Cooking from scratch and using local ingredients are just a few things we are passionate about. Learn more at: sagedining.com/food/nutrition.html.

add the best ingredient education

Our Spotlight Program® guides your child's choices in the dining hall. Our blog, Spoonful of SAGE, (sagedining.com/blog/) and our Facebook page (facebook.com/sagedining) provide fun foodie advice, tips, facts and news.

one cool program educational seasonings

Learning isn't confined to the classroom. SAGE encourages students to explore and taste foods and flavors from around the world. Topics this year include:

- Sustainable Dining in the Winter
- Scandinavian Cuisine
- Superfoods
- Chocolate and more!

We look forward to sharing The Flavor of Things to Come®! Contact your Food Service Director with any questions.
